

ACCS Trainers' Day

Friday 8th April 2011

At the Royal College of Anaesthetists,
Churchill House, 35 Red Lion Square,
London, WC1R 4SG

Following the success of the first ACCS Trainers' Day in March 2010, the Intercollegiate Committee for ACCS Training will be holding a second interactive day for anyone involved/interested in the delivery of the ACCS training programme.

Discussion topics will include the following:

- ACCS curriculum
- National recruitment
- The future of ACCS

This has proved to be a fantastic opportunity to discuss and address the issues and challenges surrounding the delivery of ACCS training. Attendees are invited to suggest additional topics for discussion at this meeting.

To attend and/or suggest topics for discussion, or for more information, please email Maddy Humphrey at accs@rcoa.ac.uk
