

Starting your career with ACCS

Who is it for, what is it for, and how does it work?

Foundation Year Career Day

Tuesday 2nd November 2010

At the Royal College of Anaesthetists,
Churchill House, 35 Red Lion Square,
London, WC1R 4SG

9.20am to 12.30pm

or

13.20pm to 16.30pm

Registration Fee £30

The Intercollegiate Committee for ACCS Training will be holding two half day sessions for Foundation Year trainees who are contemplating ACCS. This new event will run concurrently with the established Career in Anaesthesia event run by the RCoA.

Current ACCS trainees and consultants will speak on life as ACCS trainees and higher trainees/consultants in each specialty and will be available to answer any questions.

Foundation Year trainees are invited to attend one of the sessions to learn about what ACCS is, how it works, and what support is available throughout the ACCS programme. This event will help trainees to decide whether the ACCS route to specialty training is right for them.

An application form for this event is available on the Events pages of the Royal College of Anaesthetists' website www.rcoa.ac.uk, or by emailing accs@rcoa.ac.uk

For further information please email Maddy Humphrey at accs@rcoa.ac.uk
